Nashville, TN 37243-0505

Re: Joint Application of Matrix Telecom, Inc. and Global Crossing Telecommunications, Inc., Global Crossing Local Services, Inc. and Global Crossing Telemanagement, Inc. for Expedited Approval of the Transfer of Certain Assets and a Waiver of Applicable Anti-Slamming Regulations
Docket No. 05-00094

Dear Ms. Dillon:

Enclosed please find an original and thirteen copies of the parties responses to staff's request for information. Pursuant to that request, please find the following

1 Have the Petitioners filed similar petitions or notices in other states? If so, provide a listing of states and action taken or pending.

Matrix and Global Crossing filed applications for approval of the transaction or notifications of the transaction (in those jurisdictions where prior approval is not required) with the relevant regulatory authorities in the 50 United States and the District of Columbia. Of the 21 jurisdictions (including Tennessee) where Matrix and Global Crossing sought prior approval, 3 Commissions have approved the application and the applications remain pending in the remainder of those jurisdictions

2 Have the Petitioners filed a similar petition with the FCC or other federal agency? If so, list any action taken and the associated file(s) or document number(s).

Yes. The docket number of the domestic 214 application filed with the Federal Communications Commission is WC Docket No. 05-159. Comments on the application were due on April 21 and, to applicants' knowledge, no party filed comments. The file number of the international 214 application filed with the Federal Communications Commission is ITC-ASG-20050413-00149 E. Comments are due on April 29, 2005.

3. How many customers do the Global Crossing companies have in Tennessee? How many will be transferred to Matrix?

Global Crossing has 499 customers in Tennessee of which 199 will be transferred to Matrix

4. What telecommunication services will the Global Crossing companies provide under current CCNs in Tennessee after the transfer?

The transaction between Matrix and Global Crossing involves the transfer of a discrete set of customers -- those served by Global Crossing's Small Business Group -- from Global Crossing to Matrix. The Global Crossing companies that are certificated in Tennessee will retain their CCNs and will continue to provide the same voice and data products and services to those Tennessee-based enterprise customers (other than those being transferred to Matrix) that they currently serve.

5. Will Matrix be reselling Global Crossing services or providing service over its own facilities?

Matrix will, at least initially, be reselling the services of Global Crossing

6. Consistent with TRA Rule 1220-4.2-.56(2)(d), will Global Crossing customers being transferred to matrix receive required notice in the event that service rates increase within ninety (90) days of the transfer? If so, explain why your customer notice does not state that such notice will be given.

Yes. Matrix will notify the customers that it is acquiring from Global Crossing of any rate increases at least ninety days prior to the effective date of such increases. The customer notice does not affirmatively state this because, as the notice does state, Matrix has no current intention of increasing its prices to the customers that it is acquiring from Global Crossing.

7. Please provide evidence of technical, managerial and financial qualifications to operate a facilities based competitive local exchange provider

Please see attached. Information is Proprietary and Confidential

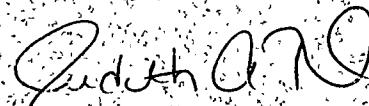

8. Has the deal to transfer customers already closed? Have the customer notice letters already been sent to affected customers?

The transaction has not yet closed as the parties are awaiting the requisite regulatory approvals, including approval from the Tennessee Regulatory Authority. The parties wish to close the transaction as soon as possible and

therefore respectfully request that the Authority act expeditiously on this application. The customer notices were sent to all affected customers including those in Tennessee on April 13, 2005

Should anything further be needed, please contact me.

Sincerely,

Judith A. Riley

Enclosures

Management Team

The Company has assembled a highly qualified management team with extensive experience within the telecommunications industry. The Company believes that it can draw upon the past experiences of its collective management team to continue the development and execution of its business plan. The Company's management team has developed start-up enterprises into major telecommunications companies.

Dennis Smith, President – 41, over 16 years of telecom experience. Hired by Platinum Equity Holdings (PEH) in Jun 1998 as Vice President – Business Development responsible for PEH's expansion into the telecommunications sector. He was named President of Matrix in Feb 2002. Mr. Smith served in various management positions within network and operations with ATC Long Distance (subsequently LDDS, WilTel, and WorldCom) from 1987 to 1997. Mr. Smith was named as Vice President – Operations for Zenex Communications in 1997 and served until joining PEH in June 1998. Mr. Smith holds a degree in Microcomputer Electronics from Oklahoma State University.

Charles G. Taylor, Jr., Chief Financial Officer – 46, over 17 years of telecom experience. Hired as CFO in October 2001 with responsibility for all finance, accounting, collections and regulatory affairs. Formerly Founder and VP – Finance for VarTec Telecom (1987 – 1990), Founder and COO for Matrix Telecom, Inc. (1990 – 1996), EVP – Retail Business Development for Pacific Gateway Exchange (1996 – 2000) and Founder and President of Local Gateway Exchange (2000 – 2001). Mr. Taylor graduated cum laude with a BS-Accounting from Lamar University and has been a Certified Public Accountant in Texas since 1984.

Greg L. Taylor, Vice President and General Counsel – 39, over 11 years of telecom experience. Prior to his appointment as General Counsel for Matrix, he served as Directory – Legal & Regulatory Affairs for DCA Services, a well-known industry provider of billing and back-office services to the telecommunications and cable television industry. Prior to his work at Matrix and DCA, he served in various operating management roles with Zenex Communications and TouchTone Solutions, Inc. Mr. Taylor has a Juris Doctor from Oklahoma City University, a Master of Arts in Communications from Regent University, and a Bachelor of Science in Business Administration from Southern Nazarene University.

Stephanie Reese, Executive Vice President – Sales and Marketing – 36, over 6 years of telecom experience and over 15 years of marketing and management. Ms. Reese has worked with companies such as American Airlines, Philip Morris, Coca-Cola, WebLink Wireless and BeutiControl Cosmetics. She also owned and operated her own private consulting business for three years specializing in marketing management, financial consulting and strategic planning for small and medium sized companies. Ms.

Reese earned her BBA in Marketing Management from the University of North Texas And has an MBA with emphasis in Marketing from the University of Texas in Austin

Steve Aduddell, Vice President – 53, over 24 years of telecom switching and operations experience in management positions with Southwestern Bell Telephone, AT&T Communications, Access Communications Services, Zenex Communications, and Lorecom Technologies. He has successfully guided Matrix over the last three (3) years from a switchless reseller to a facilities-based provider of telecom services. He is a graduate of Central State University in Edmond, Oklahoma.
